

# Little Lambs Preschool of Lord & Savior Lutheran School

## Purpose and Objectives

Little Lambs Early Preschool is a Christian early childhood program maintained and operated by Lord and Savior Lutheran Church and School. The program is conducted to assist parents in meeting their God-given responsibility to “bring up their children in the training and instruction of the Lord.” (Ephesians 6:4)

Through our early childhood education program, your child will be able to grow spiritually, socially, emotionally, physically and cognitively in a Christian environment. Our curriculum is designed to give the child a variety of experiences to enhance his/her development in these various areas. These are areas in which you, as parents, are already training your child. As a preschool we will work with you in giving your child opportunities to grow in the following areas:
